Voice of Kesav Vipradoss - Welcome Onboard - Together, We Build the Future of "do N key"

I wholeheartedly welcome you onboard as a Prime Business Partner of do N key! I truly wish I could meet each of you personally, shake your hand, and exchange thoughts face-to-face. However, due to my busy development schedule, I must remain focused to ensure the continued success of our business. Therefore, I am writing this letter with the utmost respect and a deep sense of gratitude for your partnership.

Even with a phone call, there are times when information may be missed or misunderstood, as it's not always possible to cover everything in just one conversation. This is why I wanted to put everything in writing for clarity and to make sure you have all the details you need moving forward.

My Commitment to You

As you step into our thriving community of business partners, please know that my commitment to you is unwavering. I am dedicated to ensuring that you receive top-notch service, and I personally oversee the development of our platform and the software behind it. Due to the nature of my work, I cannot directly engage with marketing efforts, but rest assured, we've hired professionals who will guide you through the entire marketing process.

That said, I would like to share a few marketing tips that have proven effective in my own experience. These insights are like seeds – they may seem small, but with the right care, they can grow into something remarkable.

Communication and Support

If you ever need assistance, whether it's related to technical issues (like app glitches or OTPs not being received – remember to check your coverage and recharge your number), or if you don't hear back from our team within 24 hours, please don't hesitate to reach out directly to me via WhatsApp at 9363455953. I'm always ready to help.

I also encourage you to contact the respective numbers for specific inquiries. If you're looking for onboarding updates, feel free to reach out via WhatsApp or call 9363455950. If we're unable to pick up immediately, please leave a message, and we'll get back to you as soon as we can.

Marketing Tips to Practice One by One:

1. Focus on Hyperlocal Marketing

- **Distribute Flyers and Posters:**
Place them in high-traffic areas such as tea shops, bus stops, grocery stores, and pharmacies. (Talk to shopkeepers, post a sticker saying that delivery is available, and explain how this benefits their store digitally with no commission charges. You can also collaborate with them for a future digital setup.)
- **Auto and Cab Branding:**
Use your vehicles (auto, bike taxi, etc.) as moving billboards by adding the "do N key" brand's logo and your contact information.
- **Local Radio Ads:**
Advertise on local radio stations for quick visibility. (Optional)

2. Create a Referral Program

- Encourage your customers to refer friends and family by offering them **discounts or free services** for each successful referral.
- You can also offer a **free service** as part of the referral reward, such as a complimentary ride or delivery.
- **Product Collaboration:** If you or your friends have any businesses, you can collaborate with them by offering their products to users. This could be sample products like food, scents, or any other items that would interest your customer base.
- Reward loyal users with exclusive coupons, benefits, or products from local businesses to keep them engaged and retain their loyalty.
- Set up a **50% off coupon** for the first-time users to attract them to book services quickly.

3. Host Community Events

- **Sponsor Local Events:**
Partner with events like temple festivals, marathons or public gatherings to increase visibility.
- **Pop-Up Stalls:**
Set up stalls at crowded events to showcase your services and distribute promotional materials.

4. Partner with Local Businesses

- Collaborate with **local retailers, restaurants and hotels** to offer combined discounts or package deals. For example, "Order food from [X Restaurant] and get free delivery with do N key!"
- Promote small businesses through your platform in exchange for mutual advertising.

5. Use WhatsApp and SMS Marketing

- **Create WhatsApp Groups:**
Engage with your customers by sharing updates, offers and tips in a personal way.
 - **Broadcast Lists:**
Send regular updates about services and promotions.
 - Use **SMS campaigns** for users who may not be active on social media.
-

6. Build Trust with Testimonials and Reviews

- Encourage happy customers to leave positive reviews on our Platform and social media.
 - Feature these testimonials in marketing materials to show reliability and satisfaction.
-

7. Offer Custom Services

- Provide services tailored to local needs, such as medical deliveries for nearby hospitals or student packages for colleges.
 - Offer corporate tie-ups with offices for daily commute packages.
-

8. Utilize Social Media Creatively

- **Facebook Ads:**
Target specific demographics like students, families or working professionals.
 - **Reels and Stories:**
Share behind-the-scenes content, customer testimonials, and success stories.
 - Run polls, quizzes, or contests to keep your audience engaged.
-

9. Tap into Festivals and Special Occasions

- Use festivals like Pongal, Diwali, or New Year for launching special promotions.
 - You can conduct online events where your customers, their family members, or friends of friends can send makeover pictures of their kids. Make sure to plan this event in advance and ask everyone to update their status so that their family and friends have enough time to send in pictures. You can provide certificates and gifts for the winners to make it more exciting.
 - Offer discounts or festival-themed services, like free delivery for groceries or festival essentials.
-

10. Incentivize First-Time Users

- Offer **50% off** on the first ride or delivery for first-time users.
 - Add small freebies like branded pens or keychains to increase customer loyalty.
-

11. Collaborate with Educational Institutions

- Partner with colleges to offer student or staff discounts.
 - Sponsor events like college festivals or sports meets to attract younger audiences.
-

12. Leverage the Power of Visual Marketing

- Display services through **LED screens or banners** in crowded areas.
 - Use attractive, branded delivery boxes and rider uniforms for better visibility.
-

13. Door-to-Door Marketing

- Hire a team to visit homes in key neighbourhoods, explain your services, and provide brochures or demo rides.
-

14. Highlight Convenience and Affordability

- Emphasize how your services save time and money compared to traditional options.
 - Use catchy slogans like “Why wait? Get it delivered with do N key!”
-

15. Partner with Local Influencers

- Collaborate with local influencers in food, travel or lifestyle to share their experiences with your services through Instagram or YouTube.
-

16. Leverage Data to Offer Personalized Services

- Analyse customer preferences to offer personalized promotions, like reduced delivery charges for regular users or exclusive packages for families.
-

17. Encourage Online Engagement

- Create a branded hashtag (e.g., **#DoNKeyNamakkal**) (e.g., **#DoNKeyYourPlaceName**) and encourage customers to share photos and experiences.
 - Organize contests for users who post pictures with your services to win discounts.
-

18. Corporate and Institutional Tie-Ups

- Offer employee or staff commute packages to nearby factories, offices and schools.
-

19. Focus on Feedback and Improvement

- Collect feedback regularly through forms or calls to understand customer needs.
 - Implement suggestions to build loyalty and improve satisfaction.
-

20. Educate the Community About Your Services

- Host awareness campaigns explaining how services like bike taxis, auto and delivery save time and reduce traffic.
- Highlight the eco-friendly aspect of using shared or bike-based transportation.

These tips are designed to help you build a strong and sustainable business. Practice each of them, one step at a time and watch your growth unfold!

To sum up, by following these tips, you'll be able to grow your business successfully. Focus on building strong connections in your community, using creative marketing strategies and collaborating with local businesses. Each step you take will help you build trust, increase visibility and keep your customers coming back.

There's plenty of opportunity for your business to thrive. I'm excited to see your personal growth and the success you achieve with us.

Looking forward to seeing you succeed!
